

2019 SACC Convention Photobook

Photobook remembrances of the 2019 Convention; Tech Sessions, C1 cruise to Pratt Miller and Legenfelder Collection, GM Heritage Center and ending the day Diamond Jim's River Cruise, The Henry Ford, Greenfield Village, closing SACC banquet and finally an early morning cruise to the Woodward DreamCruise.

The photobook is an 8x10, 50-page hardcover photobook of the 2019 SACC convention. It contains more than 110 photographs of C1s, events and participants. Each convention event is shown and hopefully captured each at its best.

The majority of the photos were taken by a photographer that specializes in automobile photography. He had previously been selected to be the official event photographer at the Hot Rod Nationals.

I have ordered a proof copy for me to review and it is awesome. Great quality and a welcome addition to your coffee table. I will only order copies in quantity when they offer discounts based on orders received. A single copy with premium photo paper is near \$70.00. Discounts of 35% to 40% are often offered. Final cost TBD based on quantity and shipping costs.

Please advise Dave Ruby at druby@rubysusa.com if you would be interested in a 2019 SACC convention photobook.
